REQUEST FOR ISSUANCE OF NEW OFFICE ACTION
CONSIDERING ALL OF PENDING CLAIMS 17-34

August 10, 2001

Sir:

On August 6, 1998, the Examiner issued a first Office
Action in the present Rule 62 divisional application in which
the Examiner improperly

(1) assumed that the applicants had
elected the species of Fig. 22 for
prosecution on the merits in the present
Rule 62 divisional application,

(2) withdrew claims 23-33 from
consideration as allegedly not being
readable on the allegedly elected species
of Fig. 22, and

(3) considered claims 17-22 and 34 on the
merits as being readable on the allegedly
elected species of Fig. 22.

On August 17, 1998, the applicants filed a petition
pointing out that the Examiner's actions in the Office Action
of August 6, 1998, were improper, and requesting that

(1) the Office Action of August 6, 1998, on the merits be withdrawn,

RECEIVED

(2) a new Office Action requiring an election of species be issued, and

AUG 14 2001

Technology Center 2600

(3) the period for response be restarted.

On Monday, February 8, 1999, the applicants' representatives at the law firm discussed the petition of August 17, 1998, in a telephone interview with SPE Richard Hjerpe of Art Unit 2774 who was acting on behalf of SPE Steven Saras of Art Unit 2775 to which the present application was then assigned. During the interview, SPE Hjerpe indicated that the petition of August 17, 1998, was going to be granted, and that it was not necessary for the applicants to take any further action within the six-month statutory period for response set in the Office Action of August 6, 1998, which was expiring on the day of the interview, i.e. Monday, February 8, 1999.

That same day, February 8, 1999, SPE Hjerpe faxed a copy of an interview summary with a mailing date of February 8, 1999, to the applicants' representatives at the law firm indicated below in which SPE Hjerpe stated as follows:

Discussed that the previous Office action is vacated. No response from applicant is necessary and a new Office action will be prepared in due course. A decision to applicant's petition in support of this position will be mailed shortly.

A copy of the interview summary for the interview of February 8, 1999, is attached hereto.

However, the applicants have never received a decision on the petition of August 17, 1998, or a new Office Action even

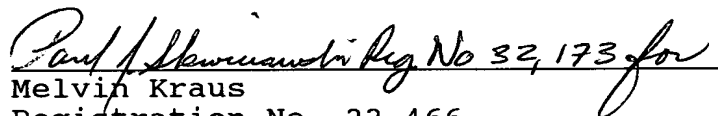

though more than two and one-half years have passed since the interview of February 8, 1999.

It is understanding of the applicants' representatives that the application has been charged to SPE Steven Saras of Art Unit 2675 to which the application is now assigned since May 8, 2001.

It is respectfully requested that a new Office Action be issued as soon as possible. Furthermore, in view of the fact that the prosecution of the application has now been delayed by more than three years since the improper Office Action of August 6, 1998, was issued, it is respectfully requested that any election of species requirement be waived, and that the new Office Action consider all of the pending claims, i.e. claims 17-34, on the merits.

Respectfully submitted,
